It is with great regret to inform you that Councillor Shabnam Sadiq (Wexham Lea Ward) has sadly passed away (deceased) earlier today 6th day of April 2020.

She went to Pakistan to attend a wedding approximately four weeks ago and became a victim of corona virus (covid-19) which had damaged her lungs, since then she has been fighting for her life. Today, I understand that the cause of her death has been as a result of a myocardial infarction.

I and my fellow Councillors pay tribute to her family for the work that she had done as a Borough Councillor and Commissioner. Cllr Shabnam Sadiq was known for her kind and caring personality and will be missed by all the residents of the Wexham Lea Ward.

Our thoughts and prayers are with her family and friends, may God give them patience to endure this tragic loss of life.

Cllr Iftakhar AHMED
Chairman
For and on behalf of
