ALLOTMENT RULES, 2020.

## 1. APPLICATION AND WAITING LIST

- i These rules are made under current legislation and apply to all allotment plots when a tenancy agreement is signed.
- ii Anyone over the age of 18 and resident in the parish can apply for an allotment. The tenant must normally live in the parish during the tenancy. The Council maintains a waiting list for allotments at Wexham Court Parish Hall, Norway Drive, SLOUGH SL2 5QP. The list includes the name, address, telephone number and e-mail address of the applicant and the date of application. The information will be held in line with the Parish Council's Data Protection Policy. The Council may decide to close the waiting list if it feels it has sufficient reason to do so. Available allotments are allocated to the person who has been on the waiting list the longest. In the event that the plot is declined, the plot will be offered to the next person on the list and so on. In the event of a plot being declined by any one person on two occasions, that person's name will be removed from the list. There may be an opportunity to re-join the list (if it is open) at the bottom. The tenancy agreement must be signed prior to the allotment being released by the Council.

## 2. OBSERVANCE OF RULES

- i Tenants must observe and comply with current rules, regulations, and policies and those which the council may make at any time in the future (e.g. statutory law changes or local restrictions – such as bonfire restrictions). These may be displayed either on notice boards, gates and/or sent with rent invoices, new tenancy agreements etc.
- ii Tenants must comply with any reasonable or legitimate directions given by an authorised officer of the Parish Council in relation to an allotment.

## 3. ASSIGNMENT AND SUB-LETTING

- i The tenancy of an allotment is personal to the tenant named in the tenancy agreement.
- ii The tenant may not assign, sub-let, or part with possession or control of all or any part of their allotment.

## 4. RENT

- i The tenant must pay the invoiced rent within the due date shown on the invoice, usually 14 days.
- ii The rent year runs from 1st April to 31st March. Tenants taking up an allotment within the rent year will normally be invoiced for the remainder of the year at the full annual rate.
- iii A tenant may voluntarily relinquish their allotment garden at any time or have their tenancy terminated for breach of the tenancy agreement before year end, but no rent rebate will be payable.

- iv The departing tenant shall remove all stored materials (see 5.iii below) from their plot before end of the tenancy. The council will dispose of any such material not removed by the tenant and the full cost may be charged to the outgoing tenant.
- v Allotment rent is reviewed annually by the Council for the forthcoming financial year. Rent may be increased at any time, provided the council publishes the increase on noticeboards and on its **website: [www.wexhamcourtparishcouncil.gov.uk](http://www.wexhamcourtparishcouncil.gov.uk)**. Failure to give notice to any individual tenant will not invalidate the tenant's rent increase.

Tenants must not allow self-seeded trees to grow on their allotment (especially any that are growing through a perimeter fence).
- vi Weed Control It is the tenant's responsibility to keep the plot free of weeds that cause a nuisance to adjoining tenants. If on inspection by the Parish Council or as the result of complaints, a plot with weeds is identified, the tenant will be notified. A further inspection will be carried out no later than 6 weeks later and if there are no improvements in cultivation a notice of termination will be sent.
