

Wexham Court Parish Council

Investment Policy 2022

1. INTRODUCTION

Wexham Court Parish Council (the Council) acknowledges the importance of prudently investing surplus funds held on behalf of the community as part of its fiduciary duty but maintain a minimal risk for investing and is limited to maximising return on cash fund.

This Strategy complies with the revised requirements set out in the Department of Communities and Local Government Guidance on Local Government Investments and takes into account Section 15 (1) (a) of the Local Government Act 2003 and guidance within Governance and Accountability for Local Councils Practitioner's Guide 2016.

The Local Government Act 2003 states that a local authority may invest:

- for any purpose relevant to its functions under any enactment
- for the purpose of prudent management of its financial affairs

The Council defines its treasury management activities as “the management of the Council’s cash flows, its banking and money market transactions, the effective control of the risks associated with those activities, and the pursuit of best value performance consistent with those risks.”

2. POLICY

2.1 This strategy establishes formal objectives, policies and practices and reporting arrangements for the effective management and control of the Council’s treasury management activities and the associated risks.

3. INVESTMENT OBJECTIVES

3.1 The Council’s investment, in priority order, are:

3.1.1 the security of its funds,

3.1.2 the adequate liquidity of its investments, and

3.1.3 the return on investment - the Council will aim to achieve the optimum return on its investments commensurate with proper levels of security and liquidity

3.2 All investments will be made in sterling.

3.3 The Department for Communities and Local Government maintains the borrowing of money purely to invest or to lend and make a return is unlawful and the Council will not engage in such activity.

3.4 The choice of investment will ensure that both credit rating and investment spread over different providers require they are reviewed regularly to ensure that the council only invest in institutions of high credit quality, based on information from credit rating agencies (as defined) and spread over different providers to minimise risk.

4. SPECIFIED INVESTMENTS

4.1 Specified investments are those offering high security and high liquidity, made in sterling and with a maturity of no more than a year. Such short-term investments made with the UK Government or a Local Authority (as defined) or a Town/Parish Council will automatically be Specified Investments.

4.2 The Council, for prudent management of its treasury balances may use:

4.2.1 Treasury Deposits with UK clearing banks

4.2.2 Local Authorities or other Public Authorities

4.2.3 Other approved public sector investment funds

4.3 The choice of institution and length of deposit will be at the approval of the Full Council.

4.4 The Council will aim to achieve the optimum return on its investments commensurate with the proper levels of security and liquidity.

5. NON-SPECIFIED INVESTMENTS

5.1 These investments have greater potential risk – examples include investment in the money market, stocks and shares. Given the unpredictability and uncertainty surrounding such investments the Council will not use this type of investment.

6. LIQUIDITY OF INVESTMENTS

6.1 The Full council in consultation with the Responsible Finance Officer & Clerk will determine the maximum periods for which funds may prudently be committed so as not to compromise liquidity.

6.2 Investments will be regarded as commencing on the date the commitment to invest is entered into rather than the date on which the funds are paid over to the counterparty.

7. LONG TERM INVESTMENTS

7.1 Long Term Investments are defined in the Guidance is greater than 36 months.

8. INVESTMENT STRATEGY 2022– 2023

8.1 For 2022/2023, the Council will continue to invest as much of its balance as possible in a low risk product in order to achieve its investment objectives. The setting up of five savings accounts have been identified as a low risk, high liquidity option. It is therefore recommended to transfer any funds above the risk level (currently £85,000) in the current account into the savings accounts.

8.2 The council can also consider investing in Public Sector Deposit Funds (PSDF) and Land/Property within the Borough subject to approval of the full council.

9. END OF YEAR INVESTMENT REPORT

9.1 Investment forecasts for the coming year are considered when the budget is prepared. At the end of the financial year the Responsible Finance Officer will report on investment activity to the Full Council.

10. REVIEW AND AMENDMENT OF REGULATIONS

10.1 The Annual Investment Strategy must be reviewed annually and revised if considered necessary.

10.2 The Council reserves the right to make variations to the Investment Strategy at any time subject to the approval of Council. Any variations will be made available to the public.
