Duration

**4.36**  
Distance  
(km)

# DIRECTIONS

Fancy walking 4km through meadows, grassland and two beautiful Nature Reserves with fantastic woodland? If yes, this route is for you!

Catch the train (Elizabeth line) from Slough to Burnham. Exit Burnham Station and use the zebra crossing to cross the road (Burnham Lane). Continue straight through some green gates and you will find yourself on Littlebrook Avenue. Take a right just before you reach a sign with 'NOS 155-177'. Then you will see an entry point to Haymill Valley Nature Reserve. Explore the wonderful woodland and see if you can spot the kingfishers - Millie and Milo! Then head up towards Lynch Hill by walking through Lammas Meadow. Both places offer an amazing walk for everyone! Once you have made your way through the grasslands, visit Cocksherd Wood which is locally known as the bluebell wood due to its incredible display of bluebells in April! Have a wander and make your way back to Burnham Station along the same route when you are finished!
